UK WIDE COVERAGE

FOUR HIGHLY REPUTABLE AND INDEPENDENT ACCOUNTING FIRMS

Working together to provide a nationwide service AGN UK is primarily focused on supporting SMEs, mid-sized businesses and high net worth families and trusts across the UK and Ireland. Through our membership of AGN International we can extend a full service offering to foreign companies seeking support in the UK or UK based businesses seeking to do business overseas.

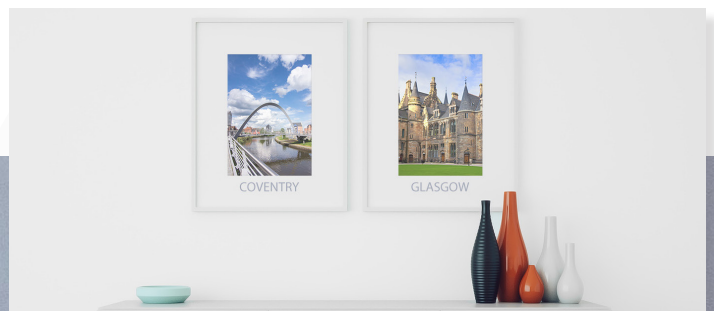

WHAT THIS MEANS IN PRACTICE?

WE OFFER CLIENTS AN EXTRAORDINARY RANGE OF TECHNICAL SKILLS AND KNOWLEDGE

From tax planning techniques in the video gaming industry, to family office and landed estate services built on generations of clients. From a deep understanding of doing business in the UK entertainment and gaming industry, to the expert witness work that forensic accounting requires of us.

Our combined size also means that we have the resources and geographic spread to compete with many larger accounting and advisory services, without the costs associated with those firms.

This means we are quick and agile, commercial and fleet footed and in a great position to service the audit, tax and accounting requirements of most UK, Irish and international businesses.

WHY AGN?

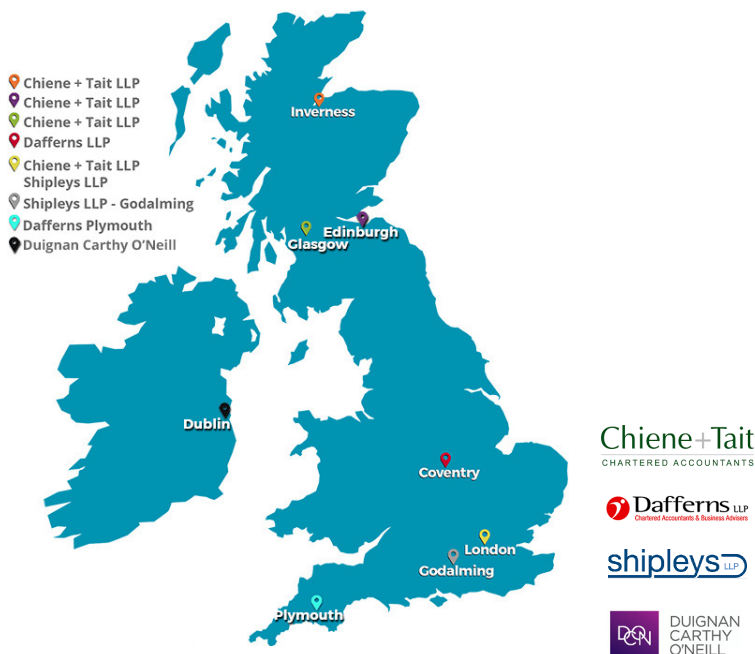

CLIENT SERVICE AT THE HEART OF EVERYTHING WE DO
